

Minority Outreach Fair Matchmaking Meetings Schedule

(As of November 30, 2015)

Each attendee may pre-register to meet with one (1) company. No more than two (2) representatives can register from the same company to allow other attendees to participate. When submitting your request for Matchmaking meetings, please complete the following steps:

- 1.) Review each Matchmaking host company's service/product needs (**by selecting the Services/Products Needed hyperlink**) to assure your business is capable of fulfilling the requested needs for the Matchmaking host. **** See Schedule Below.**
- 2.) Once you've determined your business is able to fulfill a host company's product/service needs, select up to three (3) Matchmaking host companies, listed in preferential order, (**your second and third selections will serve as a back-up in case your first selection is unavailable**) and email your selections to events@mwmca.org along with your full name, business name, a short description of your business' products/services, phone number, and email address.
- 3.) Upon receipt of your request, we will send you a confirmation message via email within one (1) business day detailing your scheduled meeting.

****Prior to making your meeting selections, please be sure to review each host company's service and products needs first.** If we find your business may not be a match to a host company's needs, we will follow up with you directly.

If **REGISTRATION CLOSED** is next to a company's name on the schedule below, it means their Matchmaking schedule is filled, and no additional registrations are being taken for that particular company. However, 35 other prime companies/agencies are exhibiting with an abundance of opportunities.
