

**Meet the Primes**  
**2014 One-to-One Introduction Meeting Schedule**  
(As of 10/13/14)

Register to meet with up to two (2) companies. Select four companies and number/list your selections in preferential order; your third and fourth selections will serve as a back-up in case one or both of your first two selections are unavailable. Email your selections to [events@mwmca.org](mailto:events@mwmca.org). Upon receipt of your registration, we will send you a confirmation within one (1) business day detailing your scheduled meetings. If the host One-to-One company has provided us with current trades/products/services needed it is indicated as “Services/Products Needed - Submitted” below and hyperlinked to the relevant information.

Please be sure to check the schedule regularly, as this schedule will be updated daily with added host companies and services/products needed updates.

If **REGISTRATION CLOSED** is next to a company’s name it means that the registration schedule is filled, and no more registrations are being taken for that particular company. However, if the companies that you want to meet with one to one are filled you can still meet them at their exhibitor table.

The deadline to register to meet with companies participating in the One-to-One Introduction Meetings is **Friday, October 10, 2014 at 5:00pm**. However, we will be taking day of event registration requests. Please stop by the One-to-One Introduction Meeting Café area on event day to see which host companies will be available.
