## PARTNER WITH GILBANE BUILDING COMPANY

### iBidPro

Contractor registration is just a click away with Gilbane's iBidPro.

- Gilbane's proprietary e.procurement system is a web-based application that streamlines the bidding process to save both time and money for our clients and subcontractors. Subcontractors use iBidPro to submit bids and Request for Information (RFI) online, while Gilbane can instantly view and/or respond to the bids and any queries
- Online data retrieval is quick and convenient, so subcontractors have more time and flexibility to submit their competitive bids. All trade contractors must pre-qualify using this online process to be eligible to receive bid invitations, proposal forms, and other information on construction projects.

### Get Prequalified/ Get working

**STEP 1:** Go to <http://www.gilbaneco.com/build-with-us/contractor-qualifications>

**STEP 2:** Click on first-time user registration

**STEP 3:** Upon completing all required fields noted with a red asterisk (\*), the registrar will receive an email providing a user name and temporary password.

**STEP 4:** You must log in using the login information provided and complete the Prequalification Form.

**SPECIAL INSTRUCTIONS:** Under Work Area, you must select all states in which your company will perform work. To add another state, click Another. If you work in ALL States, then you must select "All States".

**To complete the prequalification process, you will need the following documents:**

- Current W-9 Form
- 3 years of Financial Statements
- Experience Modification Rating
- OSHA 300/300A Forms
- References for Bank, Bonding Agent and Insurance
- Project details for three (3) current and three (3) significant projects
- Sample Certificate of Insurance
