

And the

**Md. Washington Minority Companies Association (MWMCA)**

Virtual Outreach Event

Thursday, September 30, 2021

9:00am to 10:30am

**(The virtual meeting link will be sent to all registered attendees 24 hours before the meeting begins)**

Offshore wind power, Maryland's newest economic engine is finally here. US Wind, Inc new fabricating plant located in Baltimore County at Trade Point Atlantic, the former site of Bethlehem Steel's Sparrows Point will create thousands of new jobs during the design, manufacturing, fabrication, marine transportation, and construction phases like Maryland has not seen in decades, until now. The first assignment will be for subcontractor MBE/WBE trades and suppliers to build out the facility at Tradepoint Atlantic.

The following building trades are needed currently:

**(We are accepting registrations from the trades listed below)**

- Welding
- Steel Fabricating
- Transmission Cable
- Earth Moving
- Building Rehab (interior and exterior)
- Electrical Services
- Masonry Services (Brick)
- Structural Steel Fabricators
- Oxy Fuel Cutting/Profiling
- Machinist
- Blasting Specialist
- Marine Coating Specialist
- Pipe Shops
- Galvanizing
- Roll Bending
- Tug and Barge Services

The session will provide information on:

- Project Description
- Procurement
- Schedule
- Bid Packages Release (for areas noted above only)
