GROW YOUR BUSINESS WITH OFFSHORE WIND

FOUNDATION 2 BLADE FOR MARYLAND BUSINESSES

Foundation 2 Blade (F2B) is the industry's most comprehensive training program for businesses who are ready to take advantage of the opportunities in the offshore wind industry. This three-day, in-person course will give you the tools, resources, and industry connections that prepare your business to successfully enter the offshore wind supply chain. This training is sponsored by the Maryland Energy Administration.

Foundation 2 Blade offers 6 learning modules:

- Introduction to offshore wind
- Siting and permitting
- Manufacturing
- Construction and installation
- Operations and maintenance
- Entering the offshore wind supply chain

Attend Foundation 2 Blade and you will:

- Understand the phases and operations of offshore wind project development
- Determine where your company best fits in the supply chain
- Understand the contracting process
- Learn a broad range of offshore wind terminology
- Identify unique, competitive advantages for your business
- Develop or modify a business/market-entry plan
- Gain the knowledge and confidence to pitch your business with offshore wind professionals

Enrolling in *Foundation 2 Blade* will help you answer three critical questions for your business:

1. Where do I fit in the supply chain?
2. How do I enter the market?
3. Who do I need to connect with in the industry?

Who should attend?

Any Maryland-based business ready to take advantage of business opportunities in offshore wind.

Pricing

- Business Network members: \$100
- Non-members: \$150
