Luminis Health Campus Expansion Virtual Minority Outreach

Luminis Health is planning a campus wide renovation and expansion program at their Doctors Community Hospital on Good Luck Road in Prince Georges County.

Phase 1 site improvements include a new campus loop road for improved campus access, and egress, new doctors parking lot, new utilities, and upgrade of the entire campus electrical service.

Forthcoming phase 2 will include construction of a new 350+ car parking garage, new 5 bay loading dock, new helipad, and new connector link from the behavioral health to the acute care hospital. Future phase 3 includes construction of a new 4 story, 135,000 SF Acute Care Pavilion.

When: Wednesday, June 7th | 10am – 10:30am

Where: Webex – Virtual
