Whiting-Turner is pleased to announce our next ***Getting Down to Business Event***. Please join us for food and to learn about upcoming projects with bidding opportunities in the near future. You will have the opportunity to meet with our project teams to discuss the projects and answer any questions you may have. This event is exclusively for minority, women owned, and small subcontractors and vendors in and around the Maryland area. This is a great opportunity for your members and colleagues to develop new relationships with Whiting-Turner, and to expand existing ones.
