FOUNDATION 2 BLADE

INDUSTRY TRAINING

FOUNDATION 2 BLADE FOR MARYLAND COMPANIES

Foundation 2 Blade is an advanced training program for companies who are ready to take advantage of opportunities in the offshore wind industry. This three-day, in-person course will give you the tools, resources, and industry connections that prepare your company to successfully enter the offshore wind supply chain.

Foundation 2 Blade offers six learning modules:

- Introduction to offshore wind
- Siting and permitting
- Manufacturing
- Construction and installation
- Operations and maintenance
- Entering the offshore wind supply chain

Attend Foundation 2 Blade and you will:

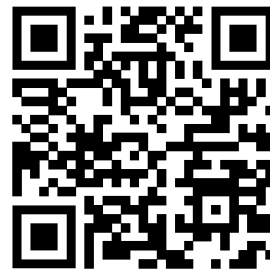

- Understand the phases and operations of offshore wind project development
- Determine where your company best fits in the supply chain
- Understand the contracting process
- Learn a broad range of offshore wind terminology
- Identify unique, competitive advantages for your business
- Develop or modify a business/market-entry plan
- Gain the knowledge and confidence to pitch your business with offshore wind professionals

Pricing & Benefits

- \$100 for Oceanctic Network members
- \$150 for Non-members
