11:30 am – 1:00 pm

Where: Fredericksburg Nationals Stadium - 42
Jackie Robinson Wy, Fredericksburg, VA 22401

[Scan QR code or click here to RSVP](#)

Lunch will be served!

On this construction, renovation and addition project, our team will:

- Build a new multi-story, 68,230 -SF Theatre Building for the University of Mary Washington.
- Fine Arts Renovation of 85,918-SF in duPont, Pollard, Melchers and Klein
- Add space in support of the Music and Art, and Art History Departments
- Improve existing plumbing, HVAC, electrical, life safety systems, material finishes, art studio exhaust safety processes, acoustic isolation and sound control, and circulation
- Ensure continued department operations throughout construction by utilizing swing space and a phased schedule approach
- Create arrival/drop off spaces, accessible vehicular parking, service spaces, new and improved pedestrian accessibility connections, and outdoor academic and program spaces
- **This is a great opportunity for first tier, second-tier subcontractors and suppliers.**
