

JOHNS HOPKINS BUILD College

Join a growing network of more than 120 businesses.

BUILD College supports local firms through sessions led by BUILD College partners. The program is designed to help firms strengthen foundational business skills, better understand industry expectations, and build capacity.

Session Topics:

- Strategic Planning
- Business Development
- Project Management
- Bidding the Contract
- Surety & Insurance

Applicants must be able to commit to attending in-person evening sessions in Baltimore City over a four-month period.

Wednesday Evenings | 6:00 PM - 7:30 PM

**The 11th BUILD College
cohort begins March 2026**

Register by February 19th
