

INNER HARBOR

PARK & PROMENADE

SITework AND INFRASTRUCTURE

SUBCONTRACTOR OUTREACH EVENT

6.17.26 | 1:00-2:30PM

1 EAST PRATT ST., 8TH FLOOR, BALTIMORE, MD 21202

BUILDING OUR PUBLIC WATERFRONT: SITework & INFRASTRUCTURE

This event will focus on outreach and registration of subcontractors for upcoming contracting opportunities on the public space elements of the Inner Harbor Park and Promenade Project. The project will revitalize approximately 20 acres of waterfront parks, promenades, and public spaces along Baltimore's Inner Harbor. **The sitework and infrastructure scope includes:**

- Mass Grading
- Heavy Civil
- Site Utilities
- Road Realignment
- Traffic Signalization
- Custom Waterfront Seating Features
- Site Amenities
- Water Features
- Amphitheater Seating
- Marine Bulkhead
- Park Green Space, Hardscaping and Landscaping

Construction expected to start Q4 2026.

LET'S BUILD SOMETHING EXTRAORDINARY

TOGETHER

We encourage all subcontractors with relevant experience in the sitework and infrastructure scopes above to join us and learn about how to join our Team and help deliver a lasting legacy for Baltimore.
