

Let's build what matters, **together.**

Trade Contractor Outreach Event

Join Clark to explore upcoming opportunities to partner on major federal projects across the DC metropolitan area, including:

- Cyber National Mission Force (CNMF)
- Specialized Mission Training Facility (SMTF)
- 1800 F Street Federal Building Modernization

Attendees will gain direct insights into project scopes, upcoming bid schedules, and trade-specific requirements. Additionally, the event features an info session on Cybersecurity Maturity Model Certification (CMMC) compliance to help your firm successfully navigate defense and federal contracting standards.

Tuesday, September 15, 2026
2:00 – 4:00 p.m.

Address will be provided upon registration.

All participating subcontractors must be registered in SAM.gov.
