

## ***2012 Annual Maryland Quality Initiative Conference (MdQI) "Quality Transportation - A Hybrid Approach"***

The 2012 Maryland Quality Initiative (MdQI) Conference will be held on February 1 and 2, 2012 at the Sheraton Baltimore City Center Hotel located at 101 West Fayette Street, Baltimore, Maryland 21201. It is a two day conference attended by local, state and federal agencies, as well as the consultant engineering community, highway contractors and suppliers.

The conference is jointly sponsored by Federal Highway Administration, Maryland State Highway Administration, Maryland Transportation Authority, Maryland Maryland Transit Administration, Maryland Aviation Administration, Concrete Ready Mix Association, Maryland Aviation Administration, ACEC, CEAM, Maryland Transportation Builders & Materials Association, Maryland Asphalt Association and the American Concrete Pavement Association.

This year's conference will highlight all the major transportation projects in Maryland, and discuss the latest technological advances in design and construction. Attendees will have many opportunities to network with the Agency representatives, contractors, consultants and material suppliers in General Sessions, 25 Technical Sessions and over 60 Vendors in the Exhibit hall. Design and Construction business opportunities for Prime/DBE/MBE firms will be discussed in many of the technical sessions.

### **Registration**

Registration for all conference attendees except SHA employees should go to [www.mtbma.org](http://www.mtbma.org) website to register on line or to download a PDF file. Contact Shelly Baquol at 410-760-9505 or [shelly@mtbma.org](mailto:shelly@mtbma.org) for questions regarding registration. Additional information regarding the session topics is available at [www.mdqi.org](http://www.mdqi.org).
