

U.S. DOT BONDING EDUCATION PROGRAM

OUTREACH SESSIONS

**Want to build
a sustainable
business?**

- **Learn to run a profitable business**
- **Learn the importance of being bonded**
- **Learn how to increase your bonding capacity**

Contractors interested in participating in a free Bonding Education Program (BEP) provided by the U.S. Department of Transportation Mid Atlantic Small Business Transportation Resource Center, The Surety and Fidelity Association of America and Maryland Transit Administration, are invited to attend the following Outreach Sessions for more information and details about the program. The BEP is being offered for qualified contractors interested in pursuing transportation projects and both MTA's Purple Line and Baltimore Red Line Light Rail Transit projects.
