

Purple Line Subcontractor Workshop

The Purple Line Project will require significant involvement of disadvantaged and small business enterprises.

Purple Plus Alliance (P2 Alliance) needs you! We are a team proposing to design, build, finance, operate and maintain the Purple Line Project. We are committed to the promotion of diversity and equal opportunities, fair treatment of all employees, ethical business practices, and the safety and health of all who work on the Project.

When: Wednesday, November 12, 2014
Registration: 9:00AM
Workshop: 9:30AM - 12:00PM

Where: Greenbelt Marriott
6400 Ivy Lane
Greenbelt, MD 20770
Free Parking Available

This workshop, hosted by P2Alliance, is a valuable opportunity for interested design, professional services firms, and subcontractors to learn more about the Purple Line Project and to share details about their respective company. During this workshop you will learn how to qualify to participate in the Project and about opportunities with P2Alliance.

Representatives from the P2Alliance team will be available for one-on-one discussions about getting involved with the Purple Line Project. We are interested in discussing:

- Capabilities
- Knowledge and Experience
- Staffing
- Equipment and Resource Availability
- Work History

Refreshments will be provided.

Please register at the following website by November 9, 2014:
