Thursday, September 24, 2015

6:00 p.m. - 8:30 p.m.
Prince George's County
Community College (PGCC)
Rennie Forum – Largo Student Center
301 Largo Road, Largo, MD 20774

Thursday, October 22, 2015 from 10:00 a.m. - 12:30 p.m.

Washington Suburban Sanitary Commission (WSSC)
Richard G. Hocevar Building (RGH) • Auditorium
14501 Sweitzer Lane, Laurel, MD 20707

The business and general public is invited to attend a meeting about WSSC's 2015 Disparity Study. The Study will evaluate WSSC's Minority Business Enterprise (MBE) practices, evaluate the business market in this region and determine if a statistical disparity exists for a woman-owned and minority program. The results will provide the Commission with a legal basis for any future MBE program.

A successful Disparity Study requires the involvement of market area businesses willing and able to perform work on public contracts. We will also have discussion on contracting opportunities and you will be able to meet Procurement staff from WSSC.
