Presents

The Women Contractors' College @ EBDI

October 1– November 19, 2015, Thursday evenings from 4:30 – 7:00 PM

EBDI, 1731 E. Chase Street, Baltimore, MD, 21213, 1st Floor Conference Room

This 8-week capacity building program is designed to help local, minority, and women-owned businesses compete in the highly competitive construction industry. Experts will instruct participants on the latest practices in the construction to improve business operations and success in bidding on contracts within the EBDI project area. Financial and Bonding resources will be available to participants. **Persons completing the entire series will receive a certificate. The college is open to everyone.**

Due to limited seating, you must register at <http://contractorscollegeebdi.eventbrite.com>; only one person per firm will be accepted into the program.
