

INDUSTRY OUTREACH EVENT

You are invited to the **Westminster WWTP ENR and Biosolids Upgrade Outreach and Networking Event** hosted by Clark Construction at our corporate offices in Bethesda, MD **Wednesday, November 1, 2017.**

Clark's estimators and executives will be present a short description of the job and be available to answer your questions regarding how you can participate in this bid. All trade work subcontractors and equipment/material suppliers are welcome.

Where: 16th Floor Auditorium, 7500 Old Georgetown Road, Bethesda, MD 20814 (The Clark Building) (at the Corner of Old Georgetown Road and MD 355 in downtown Bethesda). Introduce yourself to Security at the front desk, who will then direct you on how to reach the 16th floor auditorium.

When: Wednesday November 1, 2017 @ 2:00 pm

Directions: Parking is available in the public parking garage adjacent to/behind the Clark building.
