All Interested Contractors Invited!

You're invited to learn about the local resources available to your business to help you succeed on construction projects in Washington, D.C. From CBE certification to First Source requirements to expectations from the D.C.'s Department of General Services (DGS), you will come away from this session with the tools and knowledge to grow your business and achieve long-term success in the District.

Meet with D.C. representatives from local resource partners:

- Department of Employment Services (DOES)
- Department of Small and Local Business Dev. (DSLBD)
- Department of General Services (DGS)

D.C. General Family Shelter Project

Gilbane will be presenting bidding opportunities on this multi-phased effort that includes demolition of six above-grade structures, safe removal of all hazardous materials found during demolition and MEP upgrades.

In addition to the D.C. General Family Shelter project, Gilbane will provide information on contracting opportunities for other upcoming projects in Washington, D.C.

Parking is limited. Use of the Metro is encouraged with Judiciary Square being the closest Metro stop.
