Join MOSH for our Safe + Sound Kick-Off Event!

Thursday, August 9, 2018
9:00 a.m. – 12:00 p.m.
(doors open at 8:30)

Join us for our FREE Safe + Sound Week kick-off event! This unique workshop will help you develop and implement your safety and health management system. In a general session, we will cover the most commonly found hazards in an industrial setting. Then, groups will travel to individual tables and begin preparing their own company-specific program using a provided template. If you have a program, bring it along and take advantage of one-on-one discussions with a consultant who will share improvements and ideas!

Highlights: Breakout sessions will focus on management commitment, worker participation, and how to conduct a job safety analysis. As a special presentation, several attendees will be randomly selected to experience **safety training in virtual reality!** Navigate over two dozen onsite hazards in a virtual, interactive environment. Identify safety hazards and demonstrate your safety knowledge as you walk a beam 27 stories above the city, operate a forklift, and more!

Location:

Delta Hotels by Marriott Hunt Valley
245 Shawan Road
Hunt Valley, MD 21031
