Gilbane Building Company is pleased to be providing construction management at-risk services on the Stadium Pedestrian Spine project. Gilbane is committed to partnering with qualified local, minority, women- and veteran-owned subcontractors and vendors.

Join us Tuesday, November 27th to learn more about the subcontracting opportunities on this project. At the outreach event, the project team will give a briefing on the many trade contract opportunities available.

Contractors must register with Gilbane at <https://outreach.gilbaneco.com/> to begin the prequalification process, with further prequalification required to bid as a prime contractor.

Additional details on Gilbane's contractor registration and prequalification process will be provided at the event.

PROJECT SCOPE

Renovation to the walkway between Camden Yards and M&T Bank Stadium. Scope includes: site demolition of existing walkway, new pavers/walls, landscaping, site furnishings, entrance gateway structures, site lighting and power.
