Wednesday, December 19, 2018

1:00pm to 4:00pm

**The Hub Spot
6724 Alexander Bell Drive
Suite 105
Columbia, MD 21046**

Please join us to learn about our upcoming projects.

DPR Construction has been awarded several projects and we want to make sure subcontractors are aware of these opportunities. We are also pursuing other projects and want to continue to expand our relationships with subcontractors.

Initiative to Focus on Diversity and Inclusivity

Establishing partnerships with SBE, MBE, WBE, SDB, WOSB, HUBZone, VOSB, and SDVOSB businesses enables us to be progressive in goal setting, engaging in collaborative efforts, and continue to be the leading technical builder within the industry. At DPR, the focus to diversify relationships will aid in transforming the world with integrity, enjoyment, uniqueness, and an ever forward approach.

DPR Strives to be “integral and indispensable to our communities.”

Excerpt from DPR Mission Statement

OVERVIEW OF DPR CONSTRUCTION

DPR Construction is a unique technical builder with a passion for results. Ranked in the top 50 general contractors in the country since 1997, we are a national commercial contractor and construction manager that has grown with our customers by delivering measurably more value.

PURPOSE

DPR Construction exists to build great things. It's really that simple. We are a company of builders building great projects, great teams, great relationships, great value.

Our purpose and core values are a starting point that help clearly define who we are and what we stand for as a company. They underlie the passion that drives us to be better and different; they allow us the freedoms of our entrepreneurial organization, where people can make a difference with their ideas and hard work.

Founded in 1990 by Doug Woods, Peter Nosler and Ron Davidowski (the D, P, and R), the privately held, employee-owned company has grown to more than 5,700 employees with projects and offices across the nation.
