Attendees will learn how to do business with the University of the District of Columbia. Prime contractors and subcontractors of all building trades are needed for the rebuilding of the University's buildings and infrastructure. Learn about the contract procurement process and about future construction and renovation projects. Learn how to become an Indefinite Quantity / Indefinite Delivery contractor for the University.

All contractors are encouraged to attend. District of Columbia Certified Business Enterprises (CBE) are particularly encouraged to participate.

Questions/Point of Contact

Timothy Millner, Director, Capital Planning and Construction; 202-274-5466
