All Interested Contractors Invited!

Gilbane Building Company and STUDIOS Architecture are providing design-build services for the new WMATA Headquarters in Washington, DC. Join us on July 23 for an information session on the project and learn about the subcontracting opportunities that will be available.

AGENDA:

9:30 a.m. - Registration opens

10:00 a.m. - Program

11:15 a.m. - Project tour

12:00 p.m. - Prime Exchange (MEP and curtainwall trades)*

We encourage contractors to go to <https://outreach.gilbaneco.com/> to begin the prequalification process. Further details on Gilbane's bidding process will be provided at the information session.

Gilbane is committed to partnering with qualified local, minority-, women- and veteran-owned subcontractors and vendors.

PROJECT SCOPE:

The project will include a full building renovation and addition of three floors, as well as expanding the ground floor to accommodate street-level retail

For more details and to reserve your spot, visit

<https://wmataheadquartersoutreach.eventbrite.com>

**Mechanical, electrical and plumbing trade contractors have been pre-selected. In addition, exterior curtainwall has been awarded. There may be opportunities to support these trades as sub-tier subcontractors. Should you have any questions feel free to contact Michael Ricketts at 410-227-2537.*
