

The American Consumer Financial Network of Baltimore-Washington

The American Consumer Financial Network of Baltimore-Washington was established in 2004 by its Chief Executive Officer and Owner, Michael D. Daniel. The Company (ACFN) provides electronic banking transactions through automated teller machines (ATMs) that allow customers to withdraw cash and receive a report of the account's balance. The Company has deployed ATMs in hotels and other travel and entertainment based businesses since 2003.

As a Minority Owned Small Business with GSA and MDOT certification, ACFN is committed to excellence and creating innovative and flexible solutions for its customers.

The Company Offers:

- Local presence with quality control providing better service, increased coverage and improved uptime resulting in more ATM profits for your properties.
- Increased ATM revenue/profits
- No third party service providers for maintenance services
- Guaranteed service response time of 4-8 hours with problem solved in 24 hours or less
- On screen advertising capabilities
- No minimum quotas or Co-Pay Program
- Consistent top of the line ATM equipment for your property free of charge
- Customer provided monthly, quarterly and yearly ATM transaction reports.

Serving as the face of the Company to various public and potential clients, Michael Daniel has a B.S. degree in Business Management from Hampton University, Hampton, Virginia and the International Master of Business Administration Degree from the University of Maryland, College Park, MD.
