

Dallas Simmons
Supply Chain Consultant – SCM Procurement and Center of Excellence

Dallas Simmons is the Supply Chain Consultant in the SCM Procurement and Center of Excellence Department with Dominion Energy, Inc. As Supply Chain Consultant, he is responsible for promoting and implementing Dominion Energy's Supplier Diversity strategy as well as driving value enhancement in supply chain management strategies. He is the primary contact with external Supplier Diversity Advocacy Groups, Diverse Suppliers, and peer Utility Supplier Diversity professionals.

Dallas joined Dominion Energy in 2001 as a Manager – Accounting. He became Manager – Accounting Services in 2003, Project Manager – Six Sigma in 2006 and Manager – Shareholder Services in 2009. He assumed his current post in 2016.

Before joining Dominion, Dallas served as Comptroller for Virginia Union University from 1990-2000. As Comptroller he oversaw the University's Accounting, Financial Aid and Student Accounts departments. Prior to joining the administration at Virginia Union in 1990, Dallas worked in the corporate accounting department for Duke Energy in Charlotte, NC. In that role he was responsible for preparing the company's monthly income statement and balance sheet as well as analyzing monthly earnings for upper management.

Dallas received his bachelor's degree in Accounting from North Carolina Central University and he is a Certified Public Accountant. He currently serves on the Board of Directors for The Metropolitan Business League and Team Richmond AAU Boys Basketball.
