The Division of Procurement is responsible for the procurement process for professional and consultant service contracts as well as construction and construction-related contracts in support of the MDTA capital program. Responsibilities include Invitations to Bid (“IFB”) and Request for Proposals (“RFP”) advertising for the State of Maryland's eight toll facilities, development, pre-bid/proposal meetings, bid openings, and the award process. For a list of all MDTA contracts go to <https://emaryland.buyspeed.com/bsol/>.

For a list of Professional Services Contracts valued at \$200,000 or more a comprehensive list may be viewed at [SHA Business Center](#). All contracts under \$200,000 will be solicited directly by the MDTA. Firms interested in being included in the MDTA's Consultant Database should submit a standard [Federal 254 Form](#) to:

For additional information regarding construction procurements and professional services contracts, please contact the MDTA at mdtaprocurement@mdta.state.md.us, or call 410-537-7529 or toll-free at 1-888-754-0098.

The Division of Procurement is also responsible for procuring all equipment, services, materials, supplies and vehicles utilized by the MDTA. Procurement personnel are assigned specific categories of responsibility to provide the highest quality of service.

This Office is also responsible for selecting reputable and reliable vendors. The MDTA endeavors to conduct its business in a fair and equitable manner and purchases will be made on the basis of quality, service, delivery and price. Those who have not done business previously with the MDTA are advised to contact this division or visit the MDTA website to reach the appropriate buyer.
