

MASKS, LINENS, DRAPES & LAUNDRY SERVICES

We are doing what we can to contribute to the relief efforts

We saw a need and knew with our in-house manufacturing capabilities, we could help. We are currently utilizing our sewing department to help sew fabric masks. We're re-training staff from all over our warehouse to help sew masks. Tri-State Linens' efforts to aid in COVID-19 disaster relief continues to expand as we find more and more needs for different products. If you have a need that we can provide, please don't hesitate to reach out.

COVID-19 PPE Equipment Available

We are actively working with our industrial suppliers to assist organizations who are in need of Personal Protective Equipment which they are not able to obtain due to the current world-wide shortage.

While ample supplies are available on a regular basis, we are prioritizing the allocation to Maryland state Essential Services, Municipalities and our contract costumers.

Our suppliers are restocking daily and are currently offering:

- KN95 Masks
- Level 1 Surgical Isolation Gowns
- Level 2 Surgical Masks
- Nitrile Gloves
- Eye Protection
- Hand Sanitizer

Know More About CORONA VIRUS COVID-19

If you are in need of these items, please email gmtristate@tristatelinens.com and we will put you in touch with the supplier directly so you can make your own arrangements – we are not brokering the sale of these products. Large quantities only.
