### **Business Matchmaking Meetings**

- Yes       No

Business Matchmaking Meetings allow your representatives to privately speak (via phone) with small business representatives and learn more about their capabilities while affording small businesses the opportunity to learn how to do business with your firm and determine potential business opportunities. A prime business representative and a small business representative will speak privately for five (5) minutes to (10) minutes via phone. All phone calls will be initiated by the prime business representative between the selected time (9:00am– 11:00am). There is no obligation for you to purchase from or utilize any of the small, minority and women-owned firms that you speak with. You will directly call approximately 10-20 small businesses. **The MBE companies we identify will be specifically matched to your needs.** You will receive a call list to make the phone calls to each MBE on Friday, May 14, 2021 from 9:00am to 11:00am.
