

# **Exclusive Interview with RSC Electrical & Mechanical Contractors, Inc.'s Johnathan Bolden**

**1. What inspired you to open your business and how long have you been in business?**

RSC is now a second-generation company. My father Henry B Bolden Jr started the business in 1972. RSC incorporated in April of 1989. In 2013 I (Johnathan Bolden) took over as the Company President. My brother Jeffrey Bolden serves as the Vice-President and my sister Anita Bolden-Monroe serves as the Corporate Secretary.

**2. Tell us about RSC's capabilities?**

HVAC/Mechanical Construction and Service. Plumbing and Electrical Services

**3. What is your market area and how far will you travel for new work?**

Washington, DC, State of Maryland, Virginia, and North Carolina.

**4. What makes your company so special?**

We self-perform all of our task. We are the largest Minority Mechanical/Plumbing contractor within Plumbers Local 5 and Steamfitters Local 602.
