

MWMCA Provides Services for Small, Minority, and Women-Owned Firms

- Ask about MWMCA's Small Business Membership that can be tailored to suit your company's needs, because no two businesses are alike
- Introductory services for increased sales leads to reduce dependence on an internal sales force
- Get Listed in MWMCA's Online Business Directory so prime firms and government entities can locate your business
- Expert consulting on how to market your company more effectively to increase revenues
- Payment and project dispute services to get your company paid on work/services provided
- Expert consulting on assembly and submission of complete minority certification packages to avoid delay once your certification package is submitted
- North American Industry Classification Codes (NAICS) check-up. This step is useful when applying for certification, recertification, or an addition/expansion of NAICS Codes to assure your company is certified in all areas related to the products and services your company provides
