**BID INVITATION FOR CONSTRUCTION  
OF**

Clark Construction Group, LLC is legally and morally committed to supporting, assisting and providing equal opportunity to Minority, Disadvantaged and Women Owned Business Enterprises. In furthering that commitment, we invite you to bid on any area(s) of work on the referenced project in which you may be interested. Below you will find certain information regarding the project. We are available to assist you with any questions that you may have.

**DESCRIPTION OF PROJECT:** This is the first phase of a 5 phase renovation of the Historic Cannon House Office Building. The Project is intended to provide for the comprehensive Renewal of the Cannon House Office Building, a 694,230 GSF structure consisting of a Basement and five stories, built in 1908 and containing offices of House Members and staff, as well as offices and hearing rooms. This Phase (Phase 0) affects primarily the Basement Level, the Garage and the Courtyard and will consist primarily of utility infrastructure and distribution, including associated abatement of hazardous materials, which will facilitate the phased tie-in of systems in the construction stages to follow. Phase 0 includes work in the areaway separating Cannon from its garage, work in and on top of the garage (Courtyard), and various locations inside the Cannon HOB where permanent or temporary work is required to service future phases, much of this work is confined to the Basement Level.
