

## INVITATION TO BID

**CLARK CONSTRUCTION GROUP, LLC** invites you to submit a bid for everything in your line of work for the following project:

### **BWI INTERNATIONAL BAGGAGE Glen Burnie, MD 21061**

**Your bid is due to us on or before December 12, 2014 @ 2:00 PM**

**Project Description:** Improvements and installation of a new checked baggage inspection system at the BWI international pier.

Provide all labor, materials, equipment, tools, and incidentals needed for the installation of a new Checked Baggage Inspection System (CBIS) in the International Pier at BWI-Marshall, including (but not limited to):

- a. New Baggage Handling System (BHS), including conveyor bed sections, drives, high-speed horizontal diverters/power faced diverters, automatic tag reader, sideguards, floor supports, ceiling hangers and headers, conveyor trim, software, computer and network equipment, electrical equipment and materials, catwalks, platforms and access ladders.
- b. Checked Baggage Resolution Area (CBRA), On-Screen Resolution (OSR) room, Baggage Control Room, and associated Server and Equipment Rooms; with associated mechanical, electrical, and fire suppression equipment; and finishes
- c. A new rooftop mechanical unit and associated steel framing.
- d. Interior partitions consisting of metal studs and gypsum wallboard, doors and hardware, interior finishes including resilient flooring and base; paint, and acoustic ceiling panels.
- e. Modifications to the fire suppression system.
- f. Miscellaneous plumbing modifications.
- g. HVAC including hydronic piping, valves and pumps; metal ducts; diffusers, registers and grilles.
- h. Electrical including lighting, panelboards, low-voltage transformers, wiring devices; fuses; enclosed switches and circuit breakers; enclosed controllers; variable frequency motor controllers; lightning protection; fire alarm
- i. Communications (non-proprietary components)
- j. Various building work associated with the items listed above, including new concrete topping slab, and overhead coiling door.
- k. Selective demolition of existing building components and systems associated with the above listed work.
