PROJECT INFORMATION

Project : **Northern High School Replacement**
Address: 2950 Chaneyville Rd, Owings, MD 20736
Owner: Calvert County Public Schools
Architect: GWWO Architects
Bids Due : **February 12, 2015 before 2PM**

PROJECT DESCRIPTION: The project designed by GWWO Architects includes the construction of approximately 244,294 sf three-story, comprehensive high school and related site work, and new outdoor athletic facilities. The project also includes the demolition of the existing high school, new parking areas and the renovations and additions to the Mary Harrison Performing Arts Center which is on the same campus. The existing high school will be occupied and remain in operation during construction. This project is subject to a prevailing wage rate, with a sustainable design requirement of LEED Silver certification.

NOTE: All Subcontractors must have a current prequalification on file with HESS to be awarded a contract. Please confirm your company has completed this for our records. If not, please complete and return the **HESS Subcontractor Pre-Qualification Form** This form may be accessed at www.hessconstruction.com

All financial information is held in strict confidence and only reviewed by our executive management for the purpose of qualifying your organization. Prequalification's are used by HESS to evaluate the qualifications of a Trade Contractor to perform the specific work for which they are being considered.
