Project Description

Gilbane Building Company invites trade contractors to submit pre-qualifications for:

University of Maryland- College Park, The New Cole Field House, Indoor Football Practice Facility

This project includes the renovation, expansion and conversion of historic Cole Field House to create an indoor football practice facility. The project will pursue LEED Silver certification.

This project has an overall MBE subcontract participation goal of 30%, with a sub-goal of 7% for certified MBEs classified as an African American-Owned Business. MBEs must be certified by the Maryland Department of Transportation (MDOT) in order to count towards the goal. No other MBE certifications are acceptable.

Notwithstanding the sub goal established above, prime bidders are encouraged to use a diverse group of subcontractors and suppliers from any/all of the various MBE classifications to meet the remainder of the overall MBE participation goals.

All bidders must be prequalified in order to bid on this project. Prequalification forms can be accessed at <http://www.ibidpro.com>. Deadline for submission of prequalification is 5 Days prior to bid due date. For information/questions, contact Meta Cadigan @ (410) 649-7581, mcadigan@gilbaneco.com.

The New Cole Field House procurement process will include the following early packages:

- 2D Sitework
