

Company Name: The Whiting-Turner Contracting Company

Bid Title: WRAIR Bldg. 501: Vaccine Production Facility

Request for Qualifications By: 06/06/2016

**Request for Qualifications
Due Date Time:** 5:00 PM

Project Description: This project was solicited by USACE and is located on the Forest Glen Annex of Fort Detrick in Silver Spring, MD. The goal of this project is to renovate and improve the existing vaccine production facility to provide the client with a cGMP Vaccine Production Facility. Construction consists of renovating the existing 21,000 sf, one-story building and constructing a 5,000 sf addition. Project will include Cleanrooms, Laboratories, Lab support areas, Warehouse and Offices, new exterior masonry façade, roof replacement, as well as structural and site work.
