

TRF Development Partners  
East Baltimore Historic III Project Summary

TRF DP-GC is soliciting qualifications from experienced sub-contractors in all trades for a scattered site historic residential rehabilitation project in East Baltimore, known as East Baltimore Historic III.

East Baltimore Historic III is a 43-building (47-unit) project in East Baltimore (Oliver, Broadway East, and Johnston Square neighborhoods). See attached maps for the locations of each building. Each vacant home will be rehabilitated into one or more residential units using Federal Historic Standards. All trades are needed and all sub-contractors must become pre-qualified to be eligible to bid for a contract.
