TENTATIVE SCHEDULE

Notice to Proceed: May 1, 2017

Substantial Completion: Feb. 28, 2018

Final Acceptance: March 31, 2019

HESS is bidding on the Dr. Samuel A. Mudd Elementary School Modernization. We are currently seeking bids from qualified local and minority business subcontractors and suppliers for the construction trades related to this project.

PROJECT DESCRIPTION: The project consists of the renovation, approximately 40,383 sf, reprogramming and expansion of classrooms and support spaces, approximately 36,436 sf, to the existing building, site improvements, new geothermal field, and the removal of existing modular trailers and associated utilities.

This project is subject to a prevailing wage rate. This project is designed to be LEED Silver Certified by USGBC.

Certified Minority Business Enterprises are encouraged to respond to this solicitation notice. The contractor or supplier who provides materials, supplies, equipment and/or services for this construction project shall attempt to achieve the MBE goals as follows: **Total Project MBE goal of 18% with: African-American sub goal of 7%.**
