

University of Maryland – College Park
The New Cole Field House

This project includes the Performance and Innovation Center component of The New Cole Field House which is comprised of new outdoor practice fields, an underground tunnel leading to Maryland Stadium, and a new building expansion scheduled to house locker rooms and associated football operations and support spaces. The project will pursue LEED Silver certification.

Gilbane Building Company, in its role as Construction Manager, invites interested contractors to bid on the following finishes bid packages:

- 11D Audio-Visual Equipment
- 22A Mechanical/Plumbing
- 26A Electrical
- 27A Communications
- 28A Electronic Safety and Security

Bidders must prequalify on line at www.ibidpro.com. Registered bidders will be given access to the ftp site containing the bid documents. **THIS IS THE ONLY WAY TO GAIN ACCESS TO THE BID DOCUMENTS.** Bids must be submitted through ibidpro.

Anticipate drawings being available on 11/27/2017.

A bid invitation will be sent to registered bidders by e-mail. Bids are due 12/22/2017 (ibidpro will also list each bid due date and time).

This project has an overall MBE subcontract participation goal of 30%, with a sub-goal of 7% for certified MBEs classified as an African American-Owned Business. MBEs must be certified by the Maryland Department of Transportation (MDOT) in order to count towards the goal. No other MBE certifications are acceptable.

Notwithstanding the subgoal established above, the Contractor is encouraged to use a diverse group of subcontractors and suppliers from any/all of the various MBE classifications to meet the remainder of the overall MBE participation goal.
