**BID INVITATION FOR CONSTRUCTION OF
WSSC Piscataway Electrical Reliability
Your bid is due to us on or before March 11, 2019 - 5:00 PM (EDT)**

Project Description:

The Piscataway WRRF Electrical Upgrades Project (Contract CD5170B11) will upgrade the electrical system through the replacement and demolition of existing electrical distribution equipment, associated cables, and appurtenant equipment. Major components of the project include the replacement of medium and low voltage switchgears, transformers, and motor control centers and the installation of new underground electrical duct banks and distribution infrastructure.

Please contact Cameron Jones for questions related to your Division.
