

Dustin Construction, Inc. is seeking local, certified MBE & WBE Subcontractors for the new DC Water Fleet Maintenance Facility located in Capitol Heights, MD. The project includes the construction of a new 26,000 SF maintenance building with partial office area and associated site work. All bids are due to bids@dustinconstruction.com no later than September 17, 2019 @ 2pm.

Dustin also encourages all non MBE/WBE subcontractors and/or suppliers to solicit participation from certified MBE & WBE firms.

All interested subcontractors or suppliers looking to obtain more information should contact bids@dustinconstruction.com or call John Pickett at 301-810-4320.
