Your firm has been invited to submit a bid for the following project.

Project Name: Pentagon Control Tower and Fire Day Station
Project Address: Arlington, VA
Estimated Value: \$10-25M
Project Duration: 730 Days

Bid Due Date: 8/28/2020 @ 11:00 AM | **Subcontractor Due Date:** 8/27/2020 @ 4:00 PM

Project Description:

The scope includes the design-build construction of a new air traffic control tower and fire day station to serve the Pentagon heliport. This project also includes temporary accommodations and the associated utilities to maintain continuous operation of the control tower and fire day station functions.

Grunley has established a policy to increase the participation of Small Businesses, including Small Disadvantaged Businesses, Women-Owned Small Businesses, Historically Underutilized Business Zone Small Businesses, Veteran-Owned Small Businesses and Service-Disabled Veteran-Owned Small Businesses on all our projects. Grunley encourages Small Businesses to provide bids on Pentagon Control Tower / Fire Day Station project. A Size Self-Certification is included with the RFP documents and should be filled out and returned prior to bid day.
