U.S. ARMY CORPS OF ENGINEERS (USACE) BALTIMORE OSC US CAPITOL HILL PHYSICAL SECURITY DESIGN-BUILD PROJECT

Kiewit is preparing to respond to the Request for Proposals (RFP) issued by the United States Army Corps of Engineers (USACE) Baltimore for the delivery of the OSC US Capitol Hill Physical Security Project.

The Project scope includes upgrades or replacement of windows and doors in Federal Buildings on Capitol Hill, as well as related work to harden or enhance physical security of such structures with civil improvement such as concrete barriers, granite pavers, vehicle barriers, exterior lighting, landscaping, and bollards.

Please join us to learn about the project and anticipated contract opportunities — and to meet members of our project team. Firms registered as Small Business by the **U.S. Small Business Administration**, or certified in any of the Diverse Business categories listed below, are highly encouraged to attend.

- **Small Disadvantaged Business (SDB)**
- **Woman-Owned Small Business (WOSB)**
- **Historically Underutilized Business Zone (HUBZone)**
- **Veteran-Owned Small Business (VOSB)**
- **Service-Disabled Veteran-Owned Small Business (SDVOSB)**

Upon receipt of signed NDA, a secure link will be sent to access scope documents.

**Subcontract/supplier opportunities are contingent upon contract award to Kiewit.*

COMMITMENT TO INCLUSION

Kiewit is committed to meeting USACE's small and diverse business participation goals upon award of the Project. We will maximize opportunities for local small and diverse firms through: dividing work into economically feasible packages to ensure equitable and meaningful participation; building upon new and existing subcontractor relationships to foster long-term partnerships; and partnering with industry and community organizations focused on supporting small and diverse businesses.

Kiewit is an Equal Opportunity Employer.
