

**ATTACHMENT 027 – SUMMARY OF PROJECT MANUAL REVISIONS MADE IN
ADDENDUM C**

PART 1: GENERAL

1.1 RELATED DOCUMENTS

- A. The following attachment is intended to summarize the revisions made following the considerations on behalf of UMB, DCI, and Barton Malow leading up to the due date for bids. Please consider the following revisions and additions to the bid documents.
- a. Pre-Bid RFI responses were added to the bid documents.
 - b. Language was added to the BP2.03 CFMF and Drywall section to make it clear that all column covers and adjustable partition closures (See A502 for examples) are to be included within the scope of the BP2.03 package.
