

INVITATION TO BID

Sealed bids for the construction of a Post Anoxic Reactor (PAR) tank at the Sudlersville Wastewater Treatment Plant (575 Thunder Road) in northern Queen Anne's County, Maryland will be received from qualified bidders by the County Commissioners of Queen Anne's County at the Queen Anne's County Sanitary District, 310 Bateau Drive, Stevensville, Maryland 21666 until 9:00 a.m. local time on **September 1, 2026** at which time they will be opened publicly and read aloud. **Note this is a different location than the pre-bid location.**

The overall project is to enhance the plant's nitrogen removal processes which are currently inadequate to reliably meet permit standards.

The work of this contract, Contract No. SAN 26-01, consists of the rehabilitation of the existing Biolac reactor via the removal of accumulated sludge and the full replacement of the air diffusers, replacing and enhancing the current chemical feed delivery system, the construction of a cast-in-place concrete PAR tank, and associated electrical and system control facilities.

Copies of the Contract Documents may be obtained beginning **July 29, 2026**. Contract Documents will be available at no cost in electronic format (only in .pdf format) at ebidmarketplace.com and the Queen Anne's County web page:
