Documents may be viewed on line at PC Construction Company's Private Construction Office (contact the undersigned for details on how to use the ISQFT web site).

We are willing to break down or combine elements of work into economically feasible units on a case-by-case basis. We will negotiate in good faith with any Minority, Women's, or Disadvantaged Business Enterprise that requests such a breakdown in order to facilitate their participation.

We encourage MBE/WBE/DBE firms, where appropriate, to apply as a consortium, or as part of a consortium of MBE/WBE/DBE firms, when a contract is too large for one firm to handle individually.

If you need assistance with a joint payment agreement, please contact us. PC Construction Company can pay twice monthly on submission of qualified invoices. Bonding requirements may be negotiated and/or waived on a case-by-case basis.

Attached you will find EPA Form 6100-2 "DBE Subcontractor Participation Form" and EPA Form 6100-3 "DBE Subcontractor Performance Form". Please sign the 6100-3 form and return it to us **on or before February 22, 2012**, along with a copy of your MBE/WBE/DBE certification, so that we may include your quote as part of our MBE/WBE/DBE participation goal. Scope of work and price can be submitted separately.
