

## Invitation for MBE and WBE Subconsultant Participation

### **Professional Services Short List for Multiple A/E Projects of the Maryland Environmental Service (Project ID No. 13-02-02)**

KCI Technologies, Inc. is seeking qualified Minority and Women Business Enterprises to provide services in a subconsultant capacity for the Maryland Environmental Service Professional Services Short List for Multiple A/E Projects (Project ID No. 13-02-02). The RFP and amendments can be downloaded from the MES website <http://www.menv.com/multiple.asp> . Refer to pages 2 through 10 of the Scope of Services for a list of potential services for each category.

Firms must be **Maryland Department of Transportation (MDOT) certified** and have experience on similar projects. Experience working with MES and/or KCI is preferred. Interested firms must email qualifications limited to two pages maximum plus 1-2 resumes in SF330 format to [diana.janney@kci.com](mailto:diana.janney@kci.com) no later than 9:00 am on July 5, 2013. **You must specify which of the nine categories your firm is interested in.** Please enter "MES Project ID No. 13-02-02" in the subject line.
