Category 2: SOLID AND HAZARDOUS WASTE MANAGEMENT

Bid Due Date and Time: July 10, 2013 at 3:00PM

Instructions: Visit <http://www.menv.com/multiple.asp> to view the project advertisement/solicitation for MES On-Call Short List for Multiple A/E Projects.

Click link to access full [MES Multiple A/E Projects RFP](#).

Firms interested in teaming with HDR for this contract are encouraged to email a signed SF 330 Part II and SF 330 Part I-Section E resume for each individual you intend to commit to provide A/E services. SF 330 Part II and SF 330 Part I-Section E resumes should be emailed to sara.nash@hdrinc.com.

Please indicate the category of interest, Category 1 or Category 2.

To encourage DBE participation, HDR has divided the project into components and encourages DBEs to bid as a consortium if work appears too large for firm to handle individually.

For Category 1, HDR is soliciting information from MDOT certified MBE/WBE firms interested in performing professional services such as:

- Structural
- Architectural
- Electrical
- Civil/Site
- Process/Mechanical
- Geotechnical Engineering
- Survey
- HVAC
- Plumbing

For Category 2, HDR is soliciting information from MDOT certified MBE/WBE firms interested in performing professional services such as:

- Environmental Permitting/Compliance
- Hazardous Materials and Site Remediation
