

## INVITATION TO BID

**CLARK CONSTRUCTION GROUP, LLC** invites you to submit a bid for everything in your line of work for the following project:

### **Public Health Command Laboratory Replacement Baltimore, MD**

**Your bid is due to us on or before May 8th, 2014 @ 11:00 AM**

**Project Description:** This project is required to provide a modern, consolidated laboratory building to support expanding requirements for Public Health Command (PHC) Lab services and the resulting increased demands on PHC Lab facilities. Primary facility areas will consist of wet labs, field labs, vivarium under Good Laboratory Practices (GLP), warehouse, lab offices, ancillary spaces and building support spaces. The project also requires executing the UFC 4-510-01 Chapter 20 – Building Information Modeling (BIM), MHS (Medical Health System) Minimum BIM Requirements (MBR) and COBie-MHS(Construction Operations Building Information Exchange – Medical Health System) requirements..

Please contact the Clark estimator handling your scope of work for electronic access to the bid documents. Estimators handling trades are as follows:
