

ANGARAI is a professional management consulting firm established in 2003 and headquartered in Greenbelt, Maryland. ANGARAI’s service and product solutions are selectively applied to four industry domains including Transportation, Health & Human Services (public welfare), Defense and Intelligence.

ANGARAI’s critical success factor is drawn from a pool of professionals with demonstrated experience and expertise in key competency areas. The success provided through ANGARAI clientele has precipitated an 800% increase in gross revenues since its inception and has also translated into numerous national and regional business awards.

Holistic Approach

The Holistic Approach is what we recommend and implement for any enterprise-wide change initiative. We ensure commitment and buy-in: enlisting 360° support; educating the participants to overcome the ‘fear of the unknown’; offering the right tools & technology for transition; orchestrating and methodically changing processes throughout the organization; And, last but not least, establishing objective performance matrix to assess and quantify benefits of change.
